

Subject: An Important Message from The Orchid

Dear valued customers,

As our community deals with the spread of the novel coronavirus (COVID-19), we want to emphasize that the safety and well being of The Orchid guests and employees is our number one priority. We are continuing to monitor health recommendations from the Center for Disease Control (CDC) as well as state and local health departments. Along with ensuring that we meet the highest safety standards, we have added additional drivers and are offering the following delivery and meal services:

Free & No-Contact Delivery. We are offering free delivery for any order of \$X or more and can provide no-contact delivery by dropping off on your doorstep - no answering the door needed.

\$10 off Gift Cards of \$100 or more. Anyone that purchases a \$100 gift card or more gets \$10 off. Our gift cards don't expire. You can purchase gift cards over the phone or in the restaurant.

One Week "Stay Home" Food Packages. Stock up for a week, feed the whole family, or freeze as needed. Packages are \$100 each and provide lunch or dinner for a family of six per meal. Delivery of these packages are available Monday - Friday from 11:00am - 3:00pm. Please call us at (732) 321-9829 or email us at theorchidkosher@gmail.com. We will respond quickly and start preparing your delivery right away!

In addition, we are actively taking steps to address COVID-19 in our restaurant, including:

- Frequently sanitizing all surfaces including door knobs, counters, phones, and POS systems.
- Removing salt and pepper shakers from tables. These are available upon request and will be sanitized between each use.
- Reinforcing proper hygiene practices among all staff and continuing to have everyone wash hands and change gloves frequently.
- Prohibiting any symptomatic employee from returning to work.

The Orchid is here for you during this difficult time and, with your support, we remain committed to providing our community with quality Glatt Kosher food options.
